Protecting Your Quality of Care and Quality of Life*

**Health Care Providers: We Provide... Solutions When You Need Them!**

The Care Management Team provides a full array of care management services which can benefit you and your patients in many ways. Contact us anytime you encounter:

- Out-of-town families trying to quickly coordinate for an aging family member's needs while in town.
- Elderly patients with repeat hospitalizations due to complex medical conditions, inability to manage at home, or dementia-related issues.
- Younger clients suffering a traumatic disability or brain injury (our care managers have extensive experience with brain injury and disability planning).
- Families struggling with getting their relative to accept help or facility placement.
- Family conflict over what is best for Mom or Dad's care.
- Long distance relatives with concerns for long-term plans.
- Clients dealing with a new diagnosis, such as dementia or a progressive illness, who wish to plan ahead and prepare for future needs.
- Clients/families searching for retirement/assisted living/nursing facilities.

We help YOU and your patients by:

- ✓ Ensuring a coordinated plan; follow-through on the plans you put into place.
- ✓ Maximizing the services and benefits available to your clients.
- ✓ Reducing your staff's time spent on difficult patient situations; providing a partner to assist you in effectively managing time and cases.
- ✓ Increasing patient safety and health.
- ✓ Improving patient outcomes by providing follow-through and consistency throughout various levels of care.
- ✓ Saving time and money for clients and families by ensuring appropriate services, negotiating for clients, and reducing family's time missed from work/travel.
- ✓ Reducing liability by engaging independent consultation.
